Re: Freedom of Information Act Request

Dear Sir/Ma'am:

This is a request under the Freedom of Information Act.

I request that a copy of the documents containing the following information be provided to me: Since I am looking at the impact of in-utero exposure to pollution on criminal activity in the future, I plan to use the pollution level in state and counties at the time of birth of individuals I am analyzing. So, for the pollution level data I need State and County wise Total Suspended Particles (TSPs) data from 1965 till the year it is available in your records.

In order to help to determine my status to assess fees, you should know that I am affiliated with an educational institution, and this request is made for a scholarly purpose and not for a commercial use.

I am willing to pay fees for this request up to a maximum of \$25. If you estimate that the fees will exceed this limit, please inform me first.

Thank you for your consideration of this request.

Sincerely,

Divya Sadana
